KILLING KRYPTONITE

JOHN BEVERE

You Can Destroy What Steals Your Strength

Just like Superman, who can leap over any hurdle and defeat every foe, followers of Christ have the supernatural ability to conquer the challenges we face. But the problem for both Superman and us is there's a kryptonite that steals our strength.

Of course, both Superman and kryptonite are fictional. But spiritual kryptonite is not.

This book offers answers to why so many people—and the churches they attend—are unable to experience the divine strength that was evident among the first-century Christians.

In *Killing Kryptonite*, John Bevere reveals what this kryptonite is, why it's compromising our churches, and how to break free from its bondage.

Not for the faint of heart, *Killing Kryptonite* is anything but a spiritual sugar high. This is serious truth for any Christ-follower who longs to embrace the challenging but rewarding path of transformation.

John Bevere and his wife Lisa are the founders of Messenger International. A minister and best-selling author, John delivers messages of uncompromising truth with boldness and passion. His desire is to support the local church and resource leaders regardless of location, language, or financial position. To this end, his resources have been translated into over 100 languages, and millions of copies have been given away to pastors and leaders worldwide. When he's home, John tries to convince Lisa to take up golf and spends time with his four sons, daughter-in-law, and grandbabies.
